

Guaranteed quality, performance and security

When selecting replacement parts for your fuel dispensers and point of sale (POS) systems, trust the people who know your equipment best. Because all Dresser Wayne Genuine Parts feature our most up-to-date product enhancements, you're assured of getting the highest quality and most compatible parts available. Looking for peace of mind? We back all Dresser Wayne Genuine Parts — including printers — with an industry-leading 15-month warranty. That's up to five times more than what most competitors offer. To protect you and your customers, our components deliver the most secure solutions to prevent theft and fraud. Superior parts mean superior performance and protection. Maximize your uptime — on the forecourt and in the store — with Dresser Wayne Genuine Parts.

Genuine Parts: Protect your investment

Get up and running faster

Should your dispenser or POS systems go down, lost time becomes lost money. Fortunately, Dresser Wayne parts and services are never more than a day away. With 150 authorized distributors, more than 300 authorized service providers, and thousands of items in stock, the parts you need are usually right around the corner. If not, we can ship any standard part within one day.

More parts and service. Less downtime. Dresser Wayne Genuine Parts keep you selling.

Designed to keep you running smoothly

POS compatibility

Expect uncompromised communication between your fuel dispensers and POS systems. All Dresser Wayne Genuine Parts are exhaustively tested to ensure compatibility with your POS systems — not only with Dresser Wayne Nucleus but with other systems, such as Verifone and Radiant. Our authorized encryption facility also ensures compliance with retail and banking networks, so you can count on full compatibility and uninterrupted service.

Brand compatibility

Your brand image is important to you, so it is important to us. Dresser Wayne works closely with retail fuel marketers and major oil companies to ensure that all graphic components meet current brand guidelines. And these same parts are designed to withstand harsh fueling environments, so you can take pride in the appearance as well as the performance of your fuel equipment.

Protect your warranty, security, and regulatory certifications. Insist on Dresser Wayne Genuine Parts for all equipment repairs and upgrades

Older equipment? We've got you covered

Even if your older equipment is no longer in production by the original manufacturer, Dresser Wayne can take care of you. We are your only source for brand name Genuine Parts for legacy Dresser Wayne, Tokheim, Schlumberger and Southwest dispensers up to two decades old. If you have an older dispenser, consider us your one-stop shop for hard-to-find parts and service.

Low-cost parts come with a price

Questionable functionality. Lack of compatibility. Suspect warranties. These are just a few reasons to avoid using rebuilt or imitation parts on your Dresser Wayne fueling equipment. We take pride in the fact that no parts provider can match our exhaustive, comprehensive testing for quality and performance. As the original manufacturer of your fueling equipment, we are unrivaled in our ability to keep you up to date with the technology, product updates and regulatory demands of today's rapidly moving industry. And we're so confident in our Dresser Wayne Genuine Parts, we back up our promise with the longest warranty in the business. Don't run the risk of buying obsolete software or hardware versions. Dresser Wayne Genuine Parts always provide the latest enhancements, so there's no question that you'll continue to meet regulatory or payment security requirements. And using competitive parts could void regulatory certifications, such as UL and NTEP. Be confident that you are keeping current with market and regulatory requirements. Always choose Dresser Wayne Genuine Parts.
